

ADVANCED GLOBAL INTERCESSION

The Marriage Of Worship And Intercession

A marriage between Esther's heart of obedience and David's heart of worship. Esther's obedience and humility brought divine change and deliverance of a nation. Through obedience, humility and intimacy in worship, David found God's heart and in righteousness, ruled a nation.

JAN PAINTER

Whenever Jan ministers there is ample evidence of the genuineness of her calling and of the years spent in training, prayer, and intercession.

Through Jan's love and obedience to the Father, she ministers to people with a genuine love and compassion.

In the new year of 2000, she received a fresh anointing of the Glory of God which moved her into a higher level of ministry. Jan willingly shares what the Holy Spirit has given.

Apostle Rosetta Florence

The Lord has raised up the Josephs' Storehouse as a watch-station for the nation.

Our heart is to raise up intercessors to travail and birth for the destiny of a nation.

Jan Blessed us all when she was here three years ago and we invite both men and women to join us for this Conference.
